

Urinprøve

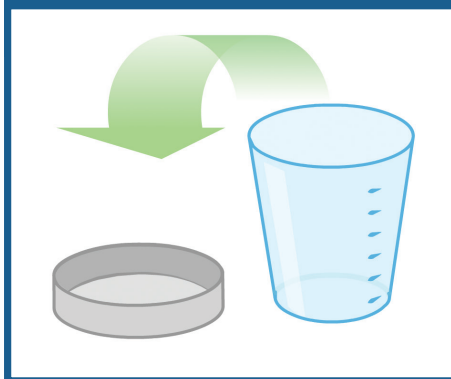

Sådan laver du en korrekt urinprøve

Scan QR-kode for at se film

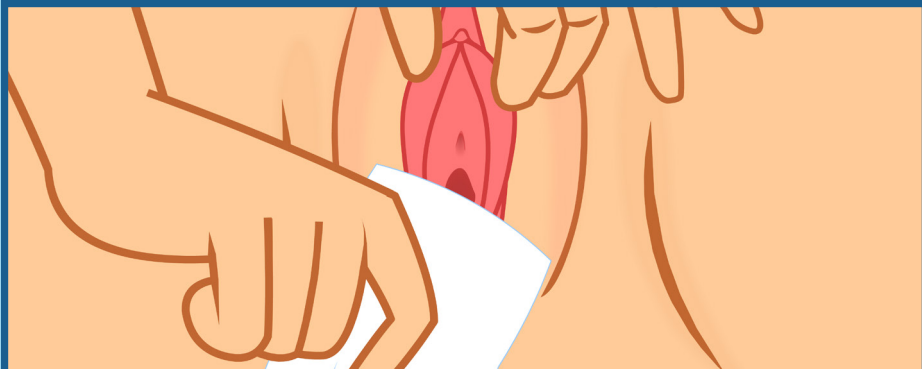

Vask hænder

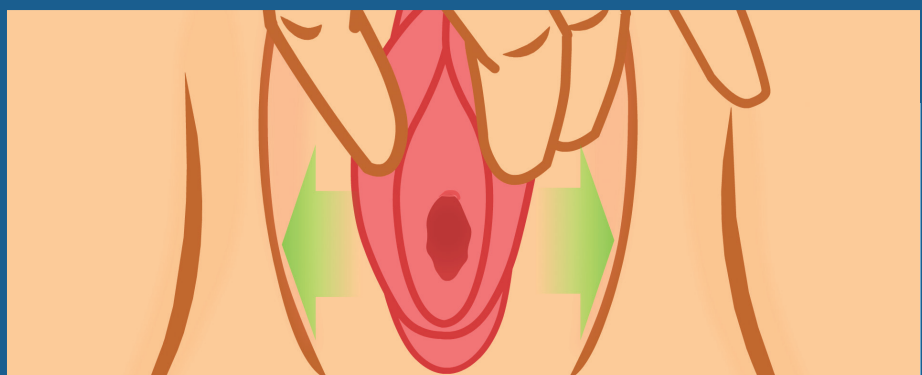

Inderside af låget opad

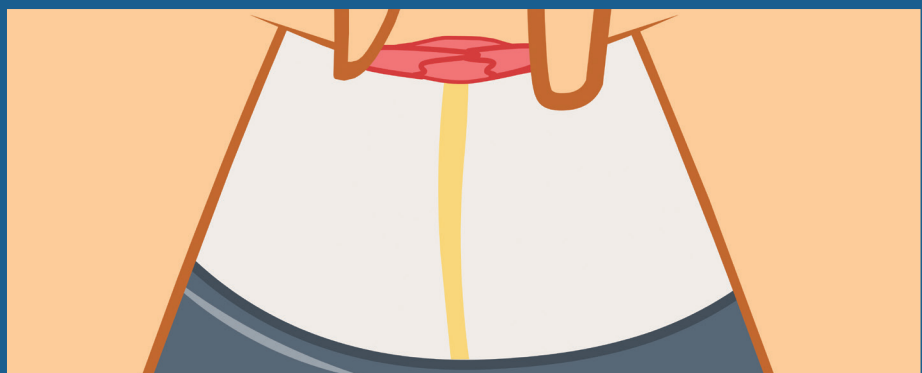

Vask urinrør én gang - nedad med en ren serviet.

Spred kønslæberne så urinen kan løbe frit.

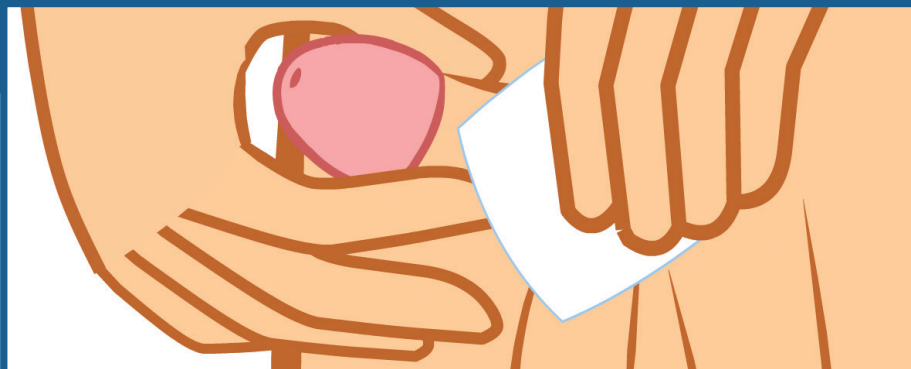

Start med at lade vandet.

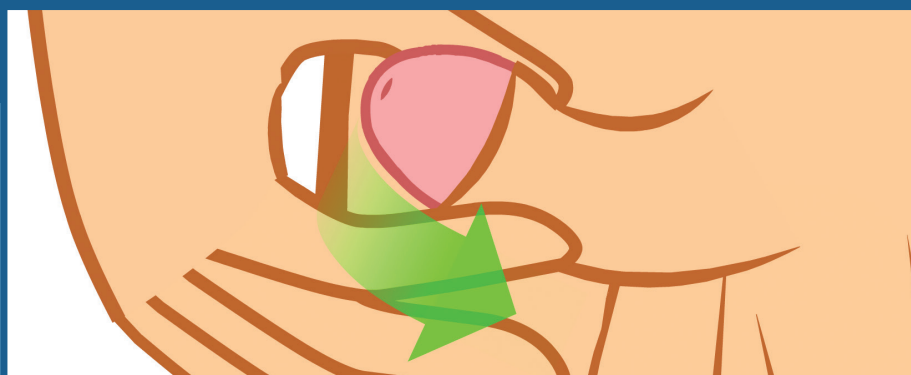

Kom 0,5 dl urin i bægeret.

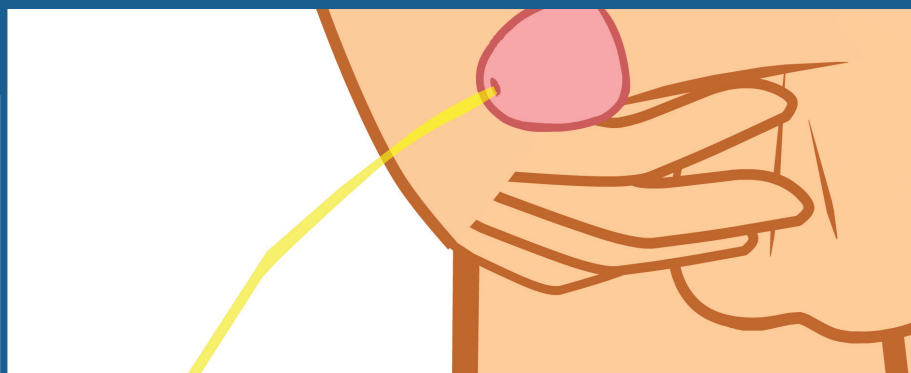

Vask urinrør én gang - indad med en ren serviet.

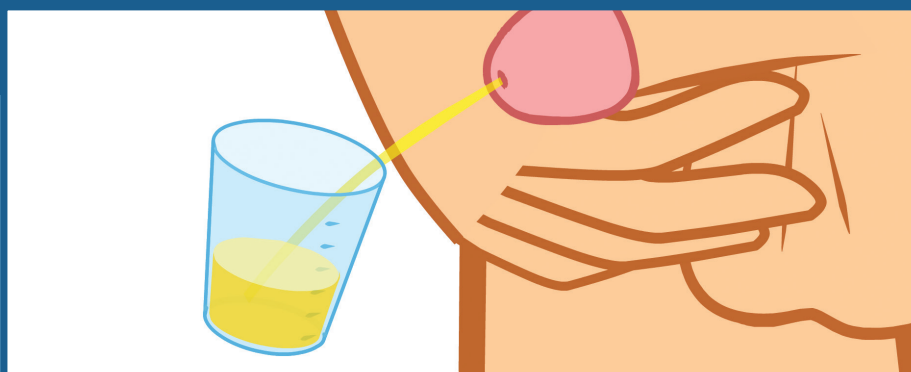

Træk forhuden tilbage så urinen kan løbe frit.

Start med at lade vandet.

Kom 0,5 dl urin i bægeret.

Skru låget på.

Vask hænder.

Aflever urinprøven til personalet.
